The 19th Japan Conference on Discrete and Computational Geometry, Graphs, and Games (JCDCG^3 2016) will be held on September 2-4, 2016 at Tokyo University of Science, Tokyo, Japan. The previous conferences were held in Tokyo as JCDCG 1999, 2000, 2002, 2004, 2006, 2011, and JCDCG^2 2013 and 2014, in Kyoto as JCDCG^2 2015 and KyotoCGGT 2007; and in Kanazawa as JCCGG 2009. Other conferences in this series were also held in the Philippines (2001), Indonesia (2003), China (2005, 2010), and Thailand (2012).

We invite submissions of original researches on, but not restricted to: discrete geometry, computational geometry, graph theory, graph algorithms, and complexity and winning strategies of games and puzzles.

The collection of abstracts will be distributed electorically only.

Submission format: Authors are required to submit an extended abstract of at most 2 pages in a standard 10-point font on A4-paper through the submission website: https://easychair.org/conferences/?conf=jcdcg32016
